* 4 Days 3 Nights 3 Rounds Saigon Golf * (Mahjong Package)

Day 1 : Arrival in Ho Chi Minh City

Upon your arrival to the airport in Ho Chi Minh City, private transfer to a hotel in Ho Chi Minh City where you will check-in for 3-nights stay.

Day 2 : Ho Chi Minh City (Breakfast)

Play a round at the **Twin Doves Golf Club**, an exclusive members club with excellent facilities featuring 27-holes set in the heart of Vietnamese countryside. The 'Luna Course' is scenic incorporating features of the woodlands terrain with rolling hills and tree-lined fairways. Creeks and streams weave through the 'Stella Course' with interesting multi-tiered greens placing a premium on accurate shot making. The third nine, the 'Sole Course' is designed around its signature lake, featuring an island green, tough bunkers, and challenging water hazards.

Day 3 : Ho Chi Minh City (Breakfast)

Play a round at the pristine **Long Thanh Golf Club**, a favourite in the local golfing scene with two 18-hole golf courses. The 'Hill Course' and 'Lake Course' feature rolling fairways and large undulating greens, with many high-lipped bunkers and water hazards waiting to catch errant shots. The championship 'Hill Course' winds through palm plantation and beautiful water features, while the 'Lake Course' is flatter and more accommodating to the higher handicappers.

Day 4 : Departure from Ho Chi Minh City (Breakfast)

Cap off your Saigon golfing escapade with 18-holes at the **Tan Son Nhat Golf Course**, designed by one of the world's leading golf course designers Nelson & Haworth. Built in 2015, this is the first golf course constructed in the urban area of Ho Chi Minh City. Though the course layout is fairly flat, cleverly crafted lakes and bunkers, plus the undulating greens lend this city gem plenty of character. Golfers might need to contend with the wind on this fairly young and open course.

After golf, departure transfer to airport for homebound flight.
