## \* 5 Days 4 Nights 4 Rounds Saigon Golf \* (Keno Package)

### Day 1 : Arrival in Ho Chi Minh City

Upon your arrival to the airport in Ho Chi Minh City, private transfer to a hotel in Ho Chi Minh City where you will check-in for 4 nights stay.

### Day 2 : Ho Chi Minh City (Breakfast)

An exclusive members club with excellent facilities, the **Twin Doves Golf Club** features 27-holes set in the Vietnamese countryside. The scenic 'Luna Course' incorporates challenging elements of the hilly woodlands terrain with rolling hills and tree-lined fairways. Nature's best continue to feature in the 'Stella Course' as creeks weave between its tree-flanked holes, and the interesting multi-tiered greens place a premium on accurate shot making. The third nine, the 'Sole Course' is built around a signature lake with an island green, beach bunkers, and of course a series of challenging water hazards.

### Day 3 : Ho Chi Minh City (Breakfast)

Play a round at the pristine **Long Thanh Golf Club**, a favourite in the local golfing scene with two 18-hole golf courses. The 'Hill Course' and 'Lake Course' feature rolling fairways and large undulating greens, with many high-lipped bunkers and water hazards waiting to catch errant shots. The championship 'Hill Course' winds through palm plantation and beautiful water features, while the 'Lake Course' is flatter and more accommodating to the higher handicappers.

### Day 4 : Ho Chi Minh City (Breakfast)

Vietnam's first international championship golf course, **Song Be Golf Resort** is an ecological sanctuary carved out of orchards and padi fields. This 27-hole championship golf course is designed to invigorate your senses, with each nine presenting unique challenges. The Lotus Course features scenic lakes, while palm trees and narrow fairways test you on the Palm Course. The Desert Course is the most demanding of the three nines, with its long and narrow fairways and strategic bunkers.

### Day 5 : Departure from Ho Chi Minh City (Breakfast)

Cap off your Saigon golfing escapade with 18-holes at the **Tan Son Nhat Golf Course**, designed by one of the world's leading golf course designers Nelson & Haworth. Built in 2015, this is the first golf course constructed in the urban area of Ho Chi Minh City. Though the course layout is fairly flat, cleverly crafted lakes and bunkers, plus the undulating greens lend this city gem plenty of character. Golfers might need to contend with the wind on this fairly young and open course.

After golf, departure transfer to airport for homebound flight.
