Letter of Appreciation,

Title: Northlab Pte Ltd, Annual Trip to Vietnam (Ho Chi Minh).

Thanks for taking care of us in Vietnam (Ho Chi Minh). We loved participating in all of the activities in the tour. We could have never organized this trip ourselves; it was a fantastic trip with fun filled days, a truly remarkable experience. Most of our staffs in Northlab Pte Ltd enjoyed the food, Shopping and the unique life style in Vietnam.

We're hoping to hook up another one of your tours in the following year to come, with Perlin Neo as our tour guide, as she have given us a great effort in guiding us in this tour. We will definitely recommend this trip to Ho Chi Minh to our family and friends.

On behalf of Northlab Pte Ltd
