**Appreciation Letter for Malacca trip from November 18 to 19, 2011**

On behalf of Hewlett-Packard Asia Pacific Pte. Ltd., we would like to thank and round applause for the good services provided by Perlin to make our company FY12 kickoff event at Malacca, involving 33 people, a meaningful, enjoyable and successful one.

I have received some feedbacks from the team, and they have enjoyed their stay at Hotel Equatorial, and itinerary planned. My Managers are impressed with the end to end services provided by Perlin, from planning to accompany us to the trip to Malacca till the closing of this event.

We look forward to work together again with Perlin for the next event.

Regards

Rebecca Lim
