Hi Sarah and Cassandra

I am back from our trip to Dubai.

We all had a wonderful time. Your organization of our trip was faultless. The hotel met all our needs and the room was fabulous.

The transport was always on time with friendly and helpful drivers

Great golf courses and if future clients are looking for a top golfing experience in Dubai, please recommend the Els course. Fantastic

Again thank you for time and efforts and being always available on the phone when I needed to speak

David
