Dear Nancy,

I'm leaving Myanmar now. The tour guide, Mr. Min did a superb job. Yesterday we changed the itinerary and took a train ride from Bago to Yangon. It was a very fascinating experience. I think all customers should be given this option. I would recommend Mr. Min to other foreign tourists. He is very knowledgeable, his English is good and he is super helpful. Thanks for recommending the tour.

On another note, I wasn't particularly thrilled with the hotel; although all the hotel staff were very nice.

Thanks

Travis
