4 Days 3 Nights 4 Rounds Bali Golf (Garden Package)

Day 1 : Arrival in Bali

Upon arrival, transfer direct to one of Golf Digest's 'World's 100 Greatest Courses', **Nirwana Bali Golf Club**, for golf. The fruition of an inspired Greg Norman, the signature 7th hole is a spectacularly daunting Par 3 set against the backdrop of the sacred sea temple of Tanah Lot and the Indian Ocean thundering against the cliffs below. After golf, check-in to the tranquil and spacious 103-hectare Cliffside Pan Pacific Nirwana Bali Resort for one night.

Day 2 : Bali (Breakfast)

This morning, check-out and play **New Kuta Golf** today, Bali's spectacular answer to links styled golf can be said to be a signature course, one where the Asian Tour found fit to host the 2009 Indonesian Open. It's never over till the fat lady sings, and a good round going doesn't mean a good score until you safely navigate the cliff-treacherous and windswept final trio of holes 16, 17, and 18. We hear an afternoon tee off is best for a breathtakingly unforgettable finish set against a kaleidoscopic Balinese sunset.

After golf, proceed to check-in for 2 nights stay in a hotel or villa at your preferred location - Kuta Beach, Legian Beach, Seminyak Beach, Nusa Dua Beach, Jimbaran Beach or Ubud area.

Day 3 : Bali (Breakfast)

Today's golf is in the cool highlands of the **Bali Handara Golf & Country Club**. Surrounded by the crater lake of Bedugul and equatorial rain forest, the course is a mature tree-lined challenge of elevation changes; as with the 560 yard, par 5 18th which opens with a distance gaining downhill drive, then it's back uphill with two approaches to an elevated green. Bali Handara is more mountain golf than island golf.

Day 4 : Departure from Bali (Breakfast)

Play the **Bali National Golf Club** on your last day. This Hawaiian-styled course plays through lush tropical forest set on hilly parkland going out, while the back nine is over more level land of landscaped coconut groves and man-made lakes. The final two holes calls for a golfer's best; the signature 17th hole, an island green reminiscent of the famed 17th at TPC Sawgrass, requires surgical precision to avoid a watery grave.

And the 18th is a dogleg par 4 that finishes with the golfer putting out in full view of clubhouse spectators. Following golf, transfer to the airport for your homebound flight.
