Bogor Raya Golf Club

Elegant, sophisticated and at the same time a rustic place to co-exist with nature. Bogor Raya Golf Club offers ample facilities with modern comfort, yet unquestionably Indonesia in feeling and form. Gold Club Bogor Raya was designed by world renowned Graham V. Marsh, a well-known Golf architect from Australia. It was constructed by Pacific Gold (USA) and the landscape by Bensley design group from USA. The 18 holes and 71 par course total land area occupies more than 64 hectares. It is created for those who love a challenging time around the green, yet not too difficult for an average golfer.

The stunning beauty and serene environment gives you the perfect get away for business meetings coupled with our 4 star Resort Novotel Coralia Bogor. The hotel has a wide array of facilities and activities available such as a tennis court, swimming pool, Indoor Kids Club, Children Playground and Archery game, ensuring that there are enough activities to keep your whole family entertained.
