* Brunei Golf Packages *

Golfing is a popular sport here in Brunei; whether you are an enthusiast or a beginner you will be pleased by the nation's array of courses with different levels of challenges to improve your skills. We have carefully selected the top courses in Brunei and formulated two packages to give you an amazing golfing experience. The most unexpected luxuries from Brunei are its range of world-class championship-quality golf courses. Fully utilizing the stunning landscape of Borneo's northern shores, Brunei's golf course provides more than just a typical round of 18 holes. Tee off from a beautifully manicured vantage point overlooking the South China Sea and surrounded by virgin rainforests, you will easily discover that golf is one of the nation's greatest treasures.
