4 Days 3 Nights 4 Rounds Chiangmai Golf (Chysanthemum Package)

Day 1 : Arrival in Chiangmai

Upon arrival, transfer direct to **Summit Green Valley Country Club** for your first 18 holes round. Look out for the memorable 9th hole, a par 4 requiring a drive that must carry over water to a landing area with sand traps left and right. The 2nd shot is also over water to an elevated island green encircled by large palm trees. After golf, proceed for hotel check-in followed by a free and easy evening.

Day 2 : Chiangmai (Breakfast)

This morning, proceed for golf at the **Alpine Golf Resort**, awarded best golf resort in 2013 by the Asian Tour and site of the Chiangmai Golf Classic 2014. Bring your best drive to the 524 yards eleventh hole, a long difficult par 4 which doglegs left with water down that same side. A worthy championship course that is both a challenge and a pleasure to play for all golfers.

Day 3 : Chiangmai (Breakfast)

Don't forget your camera as you proceed to play the multi-award winning **Chiangmai Highlands Golf Resort**. With many a breathtaking view, the deep and severely penalising hundred or so bunkers are best avoided, and the firm, fast, undulating greens require a gentle touch.

Day 4 : Departure from Chiangmai (Breakfast)

Checkout after breakfast, then transfer to the picturesque **Mae Jo Golf Club** for your final round of golf. Designed by a prominent Thai architect, each hole is unique, with several elevated tee boxes and dog legs that feature prominently, offering panoramic views of the course that will test the golfer. After the game, transfer to the airport for home bound flight departure.
