Banyan Golf Club

The Banyan Golf Club in Hua Hin is opened in October 2008, built among a pineapple plantation. Immediately, upon opening, the course was awarded 2009 Best New Course in Asia Pacific by the readers of Asian Golf Monthly. Since then Banyan golf course and clubhouse has steadily claimed 'Top 3 in Thailand' awards and been highlighted in the 'Rolex Top 1000' in the World.

The world class 18-hole championship golf course was designed by professional golf course architect Pirapon Namatra from Golf East and the course is recognized as one of the best layouts in the country.

The course is neatly integrated with an amazing mountain and oceanic views from most of the holes and has one of the best layouts in Thailand. Each hole has 6 tee boxes making the course suitable for golfers across different levels. Water hazards, waste bunkers and sand traps are strategically placed and spread out throughout the course. Significant use of native pineapple groves make local fruits come into play if straying too far off the fairways.

The signature 15th hole is a 139 yard par-3 with panoramic ocean views all the way to Singtoh (Tiger) Island in the Gulf of Thailand. Hole 12, a par-5 monster is 610 yards, all uphill, making it a difficult to reach the green even for the experienced golfers. The other holes feature elevated greens, sloping fairways and well positioned fairway and greenside bunker complexes.

The club is equipped with good practice facilities which include a grass driving range and 2 large putting and chipping greens. The golf club has a modern and first class Thai styled club house including, full reception area, well-stocked pro shop, elegant locker rooms, and 2 international restaurants. The changing rooms are fitted with rain showers and luxury grooming amenities. The Terrace Restaurant is an International all day dining venue with a variety of Western and Thai cuisine and several excellent daily specials. It also features a walk in wine cooler with good selection of wines to suit all palettes. Mulligan's Pub, with western views over the golf course and Burmese Mountains, makes for an ideal way to have a few cold drinks, reflect on a round and take in a picture perfect Thai sunset.
