Springfield Royal Country Club

The Springfield Royal Country Club is located off the Hua Hin bypass road near Cha Am. The course is rated as one of the best Hua Hin golf courses and the traditional Jack Nicklaus layout has managed to uphold its reputation.

The course at Springfield Royal Country Club has been created to meet the high standards of a reputable championship golf course without compromising its ability to remain as an enjoyable challenge for golfers from all levels. Each hole has a minimum of five tees to play from, but only the bold and the experienced will embark on the black tee. Water hazards are quite frequent and each hole presents its own unique challenge and character requiring finesse or unrestraint. Being able to hit an accurate shot is required to score well as the rough is comprised of a series of hillocks and holes lined by a forest of mature trees. Jack Nicklaus designs love to catch player out who hits a poor weak fade and the back nine when lethargy kicks into your game. It can be punishing with either a huge waste bunkers or water on your right hand side and close to the fairway.

Starting with a par-4, the first hole is a gentle 389 yards from blue tees and the hole looks quite simple. However, the well protected green proves to be difficult and requires high accuracy. As you end off your round, the par-5 18th and Springfield's signature hole, demands one final perfect shot to a difficult island green. If you manage to hit a good drive over the tress of the dogleg left, then the green will be in sight for the second shot.

Springfield Royal offers other unbeatable facilities on top of the splendid course. The club house was built in an elevated position that will give you a lasting impression. The interior is neatly finished with polished marble & granite, and portrays lavishness; changing rooms are superb and even features a bar inside the locker rooms.
