About Jeju Golf Courses

Nine Bridges Golf Club

Ranked top 100 in the world, Nine Bridges Golf Club is a must-play. The parkland style course is exquisite, featuring pristine bent grass fairways and greens that weave through a charming terrain of azaleas, maple and cedar trees, with scenic views of nearby Mount Halla. A rugged, volcanic rock-walled creek plaits through the lower-lying first nine (Highland Course), while the back nine (Creek Course) feels like a Scottish Highland course with its sweeping grassland, lakes and steep sod-brick faced bunkers.

About Jeju Golf Courses

Haevichi Country Club

There are 36 holes up for play, with the course cleverly crafted along the silhouette of the Jeju Hills. The Palm course requires clever play around strategically placed ponds and bunkers, while the Lakes course features exciting terrain changes and even more tricky bunkers. The Sky and Valley 9s showcase the beauty of the natural terrain with mountainous views.

Designer	: Jang Golf
