## \* 6 Days 5 Nights 5 Rounds Kunming Golf \* (Lutetium Package)

### Day 1 : Arrival in Kunming

Upon arrival, our local representative will meet and greet you, escort you to the transport for your transfer to either **Meadow Lake Golf Course** or **Sunshine Golf Club** for your first golf game. Meadow Lake is Inspired by the classic links style of design, winding undulated fairways, strategically placed bunkers, and graduated greens with testing breaks are the hallmarks at this

course. Sunshine GC with its numerous elevation changes meanders through two valleys lush with native flora and fauna. Deviously canted fairways could see a well struck drive rolling into the rough or any one of the 63 bunkers, some of which are cavernous. Generously sized greens are fast with numerous subtle breaks challenge the golfer. After golf, transfer to a city hotel to check-in for a 3 night stay.

### Day 2 : Kunming (Breakfast)

It's high altitude golf today at **Kunming Hot Spring Golf Club**, with changing elevations over rolling hills surrounded by wooded areas. Don't be expecting the widest of fairways and beware the more than one hundred bunkers that will test your sand play. The first nine plays easier with relatively wider and more level fairways before the contrast of the challenging back nine, where precision drives onto tighter and more undulating fairways are called for, blind holes come into play, and approaches are into more testing greens. Kunming Hot Spring is enjoyable golf for the thinking man.

### Day 3 : Kunming (Breakfast)

Today, play otherworldly golf at the **Stone Forest International Golf and Country Club**. Each of its three courses feature a 270-million year old stone forest as a backdrop, meaning less bunker and water elements to catch the golfer out. Unique to the longest course, Leader's Peak, is a par 3 featuring an island green surrounded not by water, but the dramatic stone formations. Yufeng Ridge is the most elevated with views of all three courses and the Yunnan countryside. The tournament level Masters Resort challenges with grass-faced bunkers and greens with greater undulation.

### Day 4 : Kunming (Breakfast , Dinner)

**Yunling Golf & Spa Resort** is a 27 holes layout, a mix of open and wooded holes with dramatic elevation changes of 600 feet and prominent rock outcrops. On the highest holes where wind is expected, fairways are wide and greens receptive, but still of various sizes, elevation and shapes so as to be unique. Confident drivers will be tempted on the third hole, a driveable short par 4 that starts off from an elevated tee down to a green surrounded by bunkers and steep drop offs. After golf, transfer to Spring City Golf & Lake Resort and check-in for a 2 night stay.

Welcome dinner will be served in the resort's Eagles' Nest Restaurant

### Day 5 : Kunming (Breakfast)

It's golf today at **Spring City Golf & Lake Resort**. The Jack Nicklaus designed Mountain course is the longer of the two at Spring City, its main features are elevated tee boxes and greens, and generous fairways that roll out to bonus distances. However, a liberal sprinkling of bunkers and grassy hollows will catch any lapse in concentration and well contoured Bentgrass-covered greens will test your short game to the fullest. This is an enjoyable course for any level of golfer. During free time, you may like to

drive the complimentary 30 driving range balls or take up the free 15 minutes local pro swing analysis.

### Day 6 : Departure from Kunming (Breakfast)

Play the more exacting Lake course at **Spring City Golf & Lake Resort**. This Robert Trent Jones Jnr design will test a golfer's nerve nearly every hole. Narrow fairways, crisscrossing trenches, green terraces, breathtaking lake views and a 150-yard elevation drop between Hole 1 on the hill and Hole 9 will have anyone marveling at the panorama and test of skill. Factor in the strong winds that blow from time to time, and the golfer definitely has his hands full. At the scheduled time, transfer to the airport for your homebound flight.
