* Myanmar Golf Packages *

After years of living in the shadows, Myanmar has opened up and reveals a surprisingly healthy and lively golf community throughout the country. Myanmar features some great newer courses including the Pride of Myanmar, 'Pan Hlaing Golf Club' built in 2000 by Gary Player. Also being a former outpost of the British Empire there are a lot of older golf courses left behind by the British, which are kept in great condition such as Yangon Golf Club built in 1909.
