### Day 1: Arrival in Phuket

Arrive in Phuket and kick off your day with a game in **Loch Palm Golf Club**. Loch Palm Golf Club is constructed around the Crystal Lake, the sparkling feature of the course and the largest water body on any Phuket golf course you have ever encountered. Loch Palm Golf Club has gentle slopes and also steep altitude changes. The course brings you across and around ravines and plateaus posing you a challenge never seen before. The first nine holes are located amid lakes and palm trees. The next nine moves you through mountains, hitting uphill and downhill with woods, irons and even your putter! The first nine holes roam along the prime feature of this course, the Crystal Lake before taking you up into the forested hills for the last nine holes. Coupled with thousands of palm trees lining the fairways and a cool breeze washing over you from the Crystal Lake, the atmosphere is unbeatable-offering tranquility and serenity. On top of that, there are many hazards and challenging greens. Fairway landing areas are wide but the tightly routed layout requires you to adopt a strong sense of direction and control of your swing because a slight deviation from the required direction will be heavily penalized by the well placed bunkers. After golf, transfer to your hotel and check-in for 2 nights stay.

### Day 2: Phuket (Breakfast)

This morning, gear up for another 18-hole of game in the **Red Mountain Golf Club**. Red Mountain Golf Club won the 'Platinum Golf Course of the Year' award at the 2011 Hospitality Asia Platinum Awards (HAPA) in Singapore. Meandering its way through a truly dramatic 1400 rai (1 rai=1600sqm) former tin mine site in the heart of Phuket, Red Mountain Golf Club is certainly one

of Asia's most exciting new courses. The course has been ingeniously designed to take advantage of a huge variety of landforms and dizzying elevation changes. Designer Jon Morrow and co-designer Al Tikkanen, have created a challenging 6,900 yard lay out to complement the shorter and gentler old Loch Palm Course. While the course is unquestionably difficult, the risk and rewards create a fun golfing experience, an adrenaline-charged test of skills and strength and an incredible picturesque tour around a course fated to be a golfing landmark in the region. Every hole poses a new challenge with a range of method to choose from to overcome them. It rewards those with a strategic approach and the skill to land a well-placed shot. On top of that, an exciting range of green presents itself with the newest, shade tolerant Bermuda Hybrid grass.
