* 5 Days 4 Nights 4 Rounds Qingdao Golf *

Day 1 : Arrival in Qingdao

Upon your arrival in Qingdao airport, a chauffeur guide will transfer you to a hotel in Qingdao where you will check-in for a 4-nights stay.

Head down to the enjoyable **Qingdao International Golf Club** (青岛国际高尔夫俱乐部) for your first round of golf. Located on the fringes of the heritage Laoshan National Forest Park, this par 72 parkland style course features generous fairways, with a landscape of rolling hills and scenic lakes. The slopes and bunkers strategically located throughout the course will add excitement to your round.

Day 2 : Qingdao (Breakfast)

Play 18-holes at the **Tiantai Holiday Hot Spring Golf Club** (青岛天泰高尔夫俱乐部) located in the coastal city of Jimo. This integrated leisure resort complex features a host of leisure options including a golf course, mineral spa bath and skiing facilities. The 27-hole course features 3 nines, with scenic hills and valleys flanked by a forest of pine and cypress. With lovely lakes featured through this undulating course and views of the Laoshan Bay in the distance, this course is an absolute gem.

Day 3 : Qingdao (Breakfast)

Enjoy a breathtaking round at the **Qingdao Shilaoren International Golf Club** (青岛石老人高尔夫俱乐部). Perfectly situated alongside the coastal waters of the Yellow Sea, the course features generous views of the ocean and its neighbouring mountains. This open layout will require good course management decisions and solid club selection with the seaside breeze that comes into play.

Day 4 : Qingdao (Breakfast)

Cap off your golfing itinerary with a delightful round at the **Jinshan International Club** (青岛金山高尔夫俱乐部). This Schmidt-Curley design is built on a natural terrain of coastal wetlands. A natural ecological delight, the rugged bunkers, fescue, and quiet lakes all lend a Scottish links feel to this course. Although it features wide and inviting fairways, the course is no pushover with the usual hazards and swirling coastal winds.

Day 5 : Departure from Qingdao (Breakfast)

Free till departure transfer from hotel to airport for homebound flight.
