* Sri Lanka Golf Tour Packages *

Sri Lanka is relatively unknown in the field of Golf, but surprisingly the country has three of the finest 18 hole courses in Asia. In fact the association with golf Sri Lanka is more than a century and the Sri Lanka Amateur Golf Championship, which was instituted in the year 1891 follows the British Amateur as the oldest national championship in the world. The three courses are situated in Colombo, Digana and Nuwara Eliya, Colombo at sea level, Digana at 600 m and Nuwara Eliya at an elevation of 2'070m have distinctly different terrain and climate conditions. This contributes to the enjoyment and challenge as you could be playing golf in three different countries. Play golf in Sri Lanka on your next Asia golf tour!
