* 4 Days 3 Nights 3 Rounds Taiwan Golf * (Hoklo Package)

Day 1 : Arrival in Taipei

Upon arrival, our local representative will meet and greet you, and escort you for your transfer to your hotel where you will check-in for a 3 nights stay.

Day 2 : Taipei (Breakfast)

Your first game is at **Taipei Golf Club**, host to the LPGA Ladies Professional Open Kenda Cup in 2013. Play either the locally designed course featuring winding yet relatively short fairways, or the Japanese designed layout with straighter but longer fairways. Hazards abound on both courses, and anywhere but the short grass could find the sloping rough, dense tree cover, or any of the ponds and bunkers dotting the course. To keep the score from ballooning, pay attention to where the considerable number of out-of-bounds are. The winding but shorter course combination both start off with par 5s, the more challenging of which is the first hole. The seemingly more straightforward Japanese design is no walk in the park either, as both the starting holes have a cumulative index of 2.

Day 3 : Taipei (Breakfast)

Continue your golf today at **Taiwan Golf Club**. Nicknamed 'Cradle of the Golfers', the country's oldest club is also where many of the Taiwan's top amateurs and professionals have honed their skills. Each hole presents challenges that vary according to the hilly terrain and wind direction. A popular competition layout, it's a tight, exacting course which has stood the test of time rather well. The strong sea winds and tree-lined fairways require the golfer to exhibit precision control and good course management into smallish greens. Don't be surprised to find only male caddies, as is the tradition at Taiwan Golf Club, most of whom play to a single digit handicap.

Day 4 : Departure from Taipei (Breakfast)

Before departure, play **Sunrise Golf and Country Club**. Rated the best in Taiwan four times, it is also home to former LPGA number one, Yani Tseng. This course that carries the design pedigree of the Trent Jones name sees big elevation changes that exposes the layout to coastal winds, calling for precise aerial strategies and creative club selection into tighter fairways. Water features prominently on this course that sees the front nine playing mostly uphill and the inward nine vice versa, into small and well-contoured greens. The signature 10th hole sees the fairway sweeping round a lake in a crescent. The adventurous long hitter who favours a big fade could well find the green in one. After golf, transfer to the airport for your homebound flight.
