### Abu Dhabi Golf Club

Abu Dhabi Golf Club offers one of the most luxurious golf resort experiences within the Middle East, in full management with the renowned worldwide golf resort management organizations of excellence, Troon Golf. Fifteen minutes from the city center and just ten minutes from Abu Dhabi International Airport, Abu Dhabi Golf Club is strategically positioned for local and international visitors.

A retreat of serenity imprinted out of the desert, Abu Dhabi Golf Club showcases 27 Championship holes of golf, over 162 hectares of land. The course is constructed with a rolling landscape winding through pockets of palms, ornamental trees and shrubs with seven remarkable saltwater lakes.

Overseeing the golf course is the Falcon Clubhouse, constructed with the form of a falcon with its wings spread-out, looking over the 9th and 18th greens. As you look across the lakes from the far end of the course, the clubhouse dominates the scenery. It is a remarkable, nicely-designed building that generates an atmosphere of tranquil style.

The 27-hole championship course, held the PGA European Tour Abu Dhabi HSBC Golf Championship, delivers a challenging course, with deliberately located bunkers and perfect greens. The course is featured in Golf World's Top 1000 Golf Courses in 2010, the 162 hectares of the award winning Abu Dhabi Golf Club showcase the premium world-class 27-hole championship golfing facility in the Middle East.
