✿ 4 DAYS 3 NIGHTS 2 ROUNDS DANANG GOLF ✿ (JACKPOT PACKAGE)

Day 1 : Arrival in Danang

Upon arrival, your tour guide will meet and greet you, and escort you to the transport for your transfer to **Danang Golf Club** for your first golf game. Reminiscent of Australian sand-belt courses, Greg Norman has created something special in the multi-award winning Danang Golf Club. Named one of the 15 best new courses in the world by USA GOLF magazine, Danang's Dunes Course sees generous, but firm and fast fairways that bleed gently into wild seaside vegetation. There is restrained use of water and OB, however placement is paramount to have a chance at the pins on the well bunkered and undulating greens. The fairways are also lined and well defined by long needle pines; from where you will be forced to punch off the sand and needles just to get back into play. Wind can also tighten up the course considerably, so look to be creative with bump-and-runs, or putting from well off the greens. The 148-yard signature par-3 16th hole plays against the back-drop of the South China Sea to a slightly elevated green framed by two of the course's deepest bunkers.

Day 2 : Danang (Breakfast)

Today's golf is at the **Montgomerie Links Vietnam**, which moves boldly over a striking landscape of wispy casuarinas, pines and sand dunes. Best described as contemporary modern links, sand is everywhere on this course, and it's evident that Colin 'Monty' Montgomerie drew upon childhood memories of famous Scottish links to create a layout featuring abundant sand, prevalent bunkering and an ever-present wind. Monty has implemented classic, old world design elements into this Danang golf course, such as rolling, treeless fairways, thick rough, massive greens and tight chipping areas,

with the only departure from tradition coming in the form of several lakes and streams. The stunning par 5, 12th is truly memorable; playing slightly uphill to a bunker-riddled fairway, the hole is framed by the clubhouse in the background and has been described as the best par-5 in Vietnam.

Day 3 : Departure from Danang (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
