## \* 3 DAYS 2 NIGHTS 2 ROUNDS SAIGON GOLF \* (BINGO PACKAGE)

### Day 1 : Arrival in Saigon

Upon arrival, your tour guide will meet and greet you, and escort you to the transport for your transfer to **Twin Doves Golf Club** for your first golf game. An exclusive members club with top notch facilities, Twin Doves is three distinctly different nines in the woodlands and lakes style of design. The scenic Luna Course is characterised by numerous small hills bordered by forests, and incorporates all the natural elements of the terrain as challenging hazards. Nature's best continues to feature in the Stella Course as creeks weave between tree-flanked holes, placing a premium on accurate shot-making if one is to return a good score. With greens mostly multi-tiered and guarded well by water hazards, the Stella Course wins praise as the most exciting of the three nines. Playing around a lake is the Sole Course, replete with an island green, beach bunkers, and of course a series of water hazards. This nine is unique in that it has only a single par three and par five.

### Day 2 : Saigon (Breakfast)

This morning, play your second round of golf at **Vietnam Golf & Country Club**. Widely regarded as the country's premier golf club, Vietnam Golf has hosted Asian tour events on its two championship courses. The West Course plays long, and tee shots are challenging to narrow landing areas, some of which also feature a lone tree in the center of the fairway. Only single-digit handicap players are advised to play off the back tees. Standing out as one of the best holes, the 11<sup>th</sup> is a long 408 yard par 4 dogleg left,

which demands of a drive that must carry over trees left to have sight of the green. Complicated by another large tree in the center of the fairway, the approach is then to a slightly elevated, shallow and wide green bunkered on both sides. The hillier Lee Trevino designed East Course offers more generous fairways but is protected by 110 well-positioned bunkers, water hazards and undulating fast-rolling greens which have been the undoing of many a better player. Scoring well requires smart approach shots that set up relatively straighter putts on the greens.

### Day 3 : Departure from Saigon (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
