• 4 DAYS 3 NIGHTS 2 ROUNDS DALAT GOLF • (BLACKJACK PACKAGE)

Day 1 : Arrival in Dalat (via Saigon)

Upon arrival, your tour guide will meet and greet you, and escort you for your transfer to your hotel where you will check-in for a 2 nights stay.

Day 2 : Dalat (Breakfast)

Look forward to playing the **Dalat Palace Golf Club** today. Dating back to the 1920s, Dalat Palace is a reminder of when the pursuit of leisure was the norm for the French colonialists. Redesigned in 1994, the course is a string of inventive, demanding golf holes, yet the recreational golfer will find relief with large greens left open for run-up shots, as well as wide, forgiving fairways. Dalat Palace's layout tests every club in the bag; as evidenced by the alternative need for restraint with shorter clubs for the longer hitter off downhill tees to steer

clear of water, and bigger heroic drives for maximum carry at other tee boxes. The intriguing 7th hole tempts with a tee shot that carries two lakes, though the more conservative play is to the water's left for a longer uphill approach to the green. At 5,000 feet of altitude, Dalat Palace is particularly scenic and enjoyable golf in a cool climate, with the added bonus of longer distances with every club in the bag.

Day 3 : Dalat – Saigon (Breakfast)

Today's golf is at the **Sacom Tuyen Lam Golf Resort**, halfway up the mountain to Dalat. Sitting deep in a valley by a lake's shore, Tuyen Lam is one of the narrower courses with many of the holes playing from elevated tees to tight fairways. Most would do well to keep driver in the bag, since this new golf course favours accuracy over distance; therefore the accurate driver of the ball who dares to rip it has a very distinct advantage. But beware the double hazard of pine trees lining the fairways, and the resultant

pine needles beneath the trees. The gently sloping all Bent grass greens make for excellent putting surfaces, and are generous enough to receive the less than perfect shot, but they are well-guarded. The signature hole is the 4th, a downhill par 3 where distance control is critical to find the right to left canted green, well defended by front bunkers. Miss left of the green and a scramble for bogey or worse is commonplace.

After golf, transfer to Dalat airport for domestic flight return to Saigon. You will be met and transferred to your hotel in Saigon, check-in for 1 night stay and explore the night life of Saigon.

Day 4 : Departure from Saigon (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
