❖ 4 DAYS 3 NIGHTS 3 ROUNDS DANANG GOLF ❖ (SIC BO PACKAGE)

Day 1 : Arrival in Danang

Upon arrival, your tour guide will meet and greet you, and escort you to the transport for your transfer to **Danang Golf Club** for your first golf game. Multi-award winning and named one of the 15 best new courses in the world, generous, firm, fast fairways bleed gently into wild seaside vegetation. There is restrained use of water and OB, however placement is paramount to have a chance at the pins on the well bunkered and undulating greens. The fairways are also lined by long needle pines, from where you will be forced to punch out of just to get back into play. Wind tightens up the course, so look to be creative with bump-and-runs and putting from well off the greens.

Day 2 : Danang (Breakfast)

Look forward to playing the **Laguna Lang Co Golf Club** today with its ocean views and mountainous backdrop. Nick Faldo's design has the golfer weaving in between trees, over rice paddy fields and streams, through impressive rock features and alongside the beach. Each hole reveals a character of its own, presenting a myriad of opportunities for interesting and memorable play. The par 3, 5th stands out as the signature hole, incorporating large mounds around the green that mirror a mountain peak in the background. Mention must also go to the par 5 finishing hole, an excellent dogleg that is sure to thrill. This is a great course to be enjoyed by both the experienced player and beginner alike.

Day 3 : Danang (Breakfast)

Today's golf is at the **Montgomerie Links Vietnam**, which moves boldly over a striking landscape of wispy casuarinas, pines and sand dunes. Best described as contemporary modern links, it's evident that Colin Montgomerie drew upon memories of famous Scottish links to create a layout featuring abundant sand, prevalent bunkering, and an ever-present wind. There are classic, old world design elements, such as rolling treeless fairways, thick rough, massive greens and tight chipping areas, with the only departure from tradition coming in the form of several lakes and streams. The stunning par 5, 12th is truly memorable. Playing slightly uphill to a bunker-riddled fairway, the hole is framed by the clubhouse in the background and has been described as the best par-5 in Vietnam.

Day 4 : Departure from Danang (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
