## \* 4 DAYS 3 NIGHTS 3 ROUNDS HANOI GOLF \* (PONTOON PACKAGE)

### Day 1 : Arrival in Hanoi

Upon arrival, your tour guide will escort you to the transport for your transfer to **Hanoi Golf Club** for your first golf game. Located up north and open for play in November 2006, this golfing gem has been strategically designed with trademark Japanese attention to detail over a vast 108 hectares of gentle, sloping terrain. The founding goal was to build a world-class championship golf course on the hillsides of North Hanoi, and at a lengthy 7,301 yards, what Hanoi Golf Club has today is a solid mature course beautiful to behold and a challenge to play.

### Day 2 : Hanoi (Breakfast)

Today's golf is at the 36 hole **King's Island Golf Resort**. Getting there is by way of boat, as the Lakeside Course spans two islands in a reservoir. No surprise then that water, in numerous varied ways, is a central feature, with many of the hidden greens requiring accurate carries over the lake or swampy terrain. On the Mountainview course, the 12<sup>th</sup> hole is an interesting dogleg right par 4 with bunkers grouped at the bend to prevent all but long hitters from cutting the corner. Big hitters hoping for a short iron in have to nail one straight over the bend, or be caught out by a fairway bunker on the left. Whichever the course, King's Island challenges and excites all levels of players.

### Day 3 : Hanoi (Breakfast)

Golf at **Tam Dao Golf Resort** high in the mountains. The modern resort-style course plays through a series of lakes and streams, its immaculate fairways and undulating, generous greens winding its way through the natural terrain. Approach shots are the key to scoring well here, many of which are to elevated and well-guarded greens. The best hole, the par 5, 1<sup>st</sup>, requires either a lay-up short of a water hazard some 200 yards from the green, or for long hitters to go for the green in two. However, a large tree fronting the green's left catches out shots that can't clear its top branches. With double cut fairways, white sand bunkers, and close cut greens and fringes, Tam Dao Golf Resort is a real treat to play for its excellent course maintenance.

### Day 4 : Departure from Hanoi (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
