* 4 DAYS 3 NIGHTS 3 ROUNDS SAIGON GOLF * (CRAPS PACKAGE)

Day 1 : Arrival in Saigon

Upon arrival, your tour guide will escort you to the transport for your transfer to **Twin Doves Golf Club** for your first golf game. An exclusive members club, Twin Doves is three distinctly different nines; the Luna Course is scenic with numerous small hills bordered by forests, and incorporates all the natural elements as challenging hazards. Nature's best continues to feature in the exciting Stella Course, as creeks weave between tree-flanked holes, placing a premium on accurate shot making to mostly multi-tiered greens guarded well by water hazards. Playing around a lake is the Sole Course, replete with an island green, beach bunkers, and of course a series of water hazards.

Day 2 : Saigon (Breakfast)

This morning, play your second round of golf at **Vietnam Golf & Country Club**, where Asian tour events have been hosted. The West Course plays long, and tee shots are to challengingly narrow landing areas. One of the best is the 11th hole, a par 4 dogleg left which demands a drive that must carry over trees to have sight of the green. Complicated further by a large tree in the center of the fairway, the approach is to a slightly elevated, shallow and wide green bunkered on both sides. The hillier Lee Trevino designed East Course offers more generous fairways but is protected by 110 well-positioned bunkers, water hazards and undulating fast-rolling greens. Scoring well requires smart approach shots that set up relatively straighter putts on the greens.

Day 3 : Saigon (Breakfast)

Your final day of golf is at **Long Thanh Golf Club**. Both the immaculate Hill and Coral courses feature rolling fairways and large undulating greens, with many high lipped bunkers and water hazards on almost every hole to catch errant shots. The short rough at Long Thanh poses no real problems, though higher handicappers might prefer the relatively flatter Lake Course. The par three 4th on the Hill Course is the signature hole with a choice of two different greens, both of which require accurate tee shots, to avoid the OB stakes at the back of the longer green; and also the 'Great Wall of Long Thanh' that surrounds the even more difficult shorter green also guarded by water in the front and a rock face behind. They say you never forget this hole.

Day 4 : Departure from Saigon (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
