* 5 DAYS 4 NIGHTS 4 ROUNDS HANOI GOLF * (ROULETTE PACKAGE)

Day 1 : Arrival in Hanoi

Upon arrival, your tour guide will escort you for your transfer to **Hanoi Golf Club** for your first golf game. Located up north, this golfing gem has been strategically designed with trademark Japanese attention to detail over a vast 108 hectares of gentle, sloping terrain. The founding goal was to build a world-class championship golf course on the hillsides of North Hanoi, and at a lengthy 7,301 yards, what Hanoi Golf Club has today is a solid mature course beautiful to behold and a challenge to play.

Day 2 : Hanoi (Breakfast)

Today's golf is at the **King's Island Golf Resort**. Getting there is by way of boat, as the Lakeside Course spans two islands in a reservoir. No surprise then that water is a central feature, with many of the hidden greens requiring accurate carries over the lake or swampy terrain. On the other Mountainview course, the 12th hole is an interesting dogleg right par 4 with bunkers grouped at the bend, to prevent all but long hitters from cutting the corner. Big hitters hoping for a short iron in have to nail one straight over the bend, or be caught out by a fairway bunker down the left. King's Island will challenge and excite all levels of golfers.

Day 3 : Hanoi (Breakfast)

Today's golf is at **Tam Dao Golf Resort** high in the mountains. The course plays through lakes and streams, and approach shots are the key to scoring well here, many of which are to elevated and well-guarded greens. The best hole, the par 5, 1st, requires either a lay-up short of a water hazard some 200 yards from the green, or for long hitters to go for the green in two. However, a large tree fronting the green's left catches out shots that don't clear its top branches. With double cut fairways, white sand bunkers, and close cut greens and fringes, Tam Dao Golf Resort is a real treat to play.

Day 4 : Hanoi (Breakfast)

Be spoilt for choice with **Phoenix Golf Resort's** three courses, which makes use of severe fairway and green undulations as well as clever routing around unique-looking limestone cliffs. The most visually appealing, and the longest at 7486 yards, is the links-styled Champion Course. The Phoenix Course is the original and more mountainous layout which gets the most play, a good test of skill for any golfer. While the spectacular Japanese designed Dragon Course has wider and friendlier fairways that will appeal to the higher handicapper, or

those gunning for a career round.

Day 5 : Departure from Hanoi (Breakfast)

At the scheduled time, transfer to the airport for your homebound flight.
