Cambodia, once known as the Khmer Empire, is a country in the southern part of Indochina Peninsula in Southeast Asia. The official religion is Theravada Buddhism, practised by about 95% of the population. Therefore, it is easy to spot temples sprawling all over the religious nation. In fact, many of the UNESCO World Heritage Sites in Cambodia are religious sites, including one of the Seven Wonders of the World – the Angkor Wat. With a rich cultural heritage and history, it is little wonder why the tourism industry is the second-largest source of revenue after the textile industry.
