* Bandung Tour Flyer *

Bandung, the capital of West Java, is well-known as a place for rest and relaxation away from the bustle of the city. Marvel at the mountainous landscape and fertile plantations, while soaking in the arts and culture of the lively town. Bandung's rich heritage can be seen from its wide array of music, fashion, painting and culinary arts. The centre for textile mills producing a variety of fashion apparels, Bandung is a hotspot for affordable fashion at the various factory outlets and shopping streets. Not to be missed are the beautiful art-deco buildings, which once hosted events for the European elite.
