## Day1: Arrive to Penang

Meet upon arrival, proceed to city orientation tour visiting **Fort Cornwallis**. The fort was built on the site of Francis Light's historic landing in 1786. Originally a wooden stockade, it was replaced by a concrete structure built by convicts in 1804. **Reclining Buddha Temple**, located at Lorong Burmah. This brightly painted Buddhist temple of Thai architecture houses what is claimed to be the World's Third largest reclining Buddha, measuring about 33m long. Built in 1816, the **Penang State Museum** holds a distinguished history of being the home of the Penang Free School and Hutchings School. **Kapitan Kling Mosque** was built at the start of the 19<sup>th</sup> century. It came to represent the Indian Muslim community of Georgetown. Its present structure was renovated twice; with the façade of the building and its interior decorate in Islamic geometric design. **Sri Mahamariamman Temple**, dedicated to the Hindu deity Sri Muthu Mariamman, is one of the oldest temples in Penang with its history all the way to 1801. The present site began as a humble Hindu shrine. Built between 1894 and 1906, the **Khoo Ancestral Clan House** is one of the most ornate clan temples outside mainland China. **Gurney Drive** (bypass) and **Botanical Garden**. This picturesque garden has plenty of lush green tropical plants and some colourful examples of Penang's native flora. The sound of waterfalls gushing down from the hills and the chatter of monkeys in the background enhance the nature experience. Check into hotel, free at own leisure.

## Day2: Penang / Langkawi (B)

Breakfast at hotel. Transfer to Ferry Terminal to board ferry to Langkawi Island. Upon arrival, proceed for Half Day Langkawi Tour, visiting **Underwater World**. Set on 6.2 acres of land on the superbly landscaped beachfront of Pantai Cenang, Underwater World is one of the largest marine & freshwater aquaria in Asia. It features over 5,000 varieties of fish and other exhibits from 500 species displayed in over 100 tanks. Highlights include the gigantic hexagonal tank and walk-through tunnel tank containing six million liters of seawater. Here you can observe sharks, stingrays, huge turtles and other sea creatures swim by, separated only by the laminated clear glass walls of the tunnel. Next is the **Eagle Square**, which has a magnificent 18m marble eagle as a centerpiece. Located 12km north-west of Kuah is **Mahsuri Memorial**, which marks the spot where Mahsuri, a famous legendary figure was buried. Visit **Gamat Factory**. Rest of the day – Shopping on own accord. Lunch & dinner at own expense.
