World's Most Romantic Destination Marvelous Maldives

Maldives Island

Specks of emerald green enveloped by dazzling turquoise waters like scattered beads in the ocean; white powdery beaches, tall palms lean on towards the sea, crystalline white sands giving way to crystal clear waters, shades of turquoise blend flawlessly with deeper hues of blue; pristine coral reefs and some of the most incredible underwater life on our planet. Rising from the deep blue of the vast expanse of the Indian Ocean are more than a thousand islands and thousands more reefs that form the Maldives.

Climate

Maldives has a warm tropical climate with two seasons. It is warm and humid from April to November and drier and slightly cooler from December to March. The average temperatures range from 23°C – 32°C

Things to do

Diving

One of the best dive sites in the world, scuba dive is the top activity in the Maldives. More than half of all visitors to the islands take a fascinating trip underwater to explore the countless reefs and their spectacular array of marine life. Each resort has a professional dive centre, offering equipment and instruction for all levels, and an extensive dive schedule.

Island hopping

An 'island-hopping' excursion would take you to another resort, an uninhabited island and an inhabited island all in a day-tour designed to give you a taste of the country. It is one of the best ways to explore Maldives and marvel its beauty.

Water Sports

Maldives is a place which ideal for all kind of water sports. With facilities for wind-surfing, water-skiing, jet skiing, kayaking, banana boat rides and parasailing, there's plenty to keep enthusiasts busy. Be aware that some resorts only offering non-motorized sports, to maintain the peaceful atmosphere.

Photo Flights

Take the opportunity to savor the beauty of the Maldives from the air. Some resorts offer organized photo flights by seaplane, you have the option of arranging your own aerial expedition as well.
