Hi Cass,

We are back from Bogor Golf Trip. Thanks for the well planned golf trip. We have such a wonderful time.

Mr Kurnia is a very experience and hardworking guy.
Speak very good English too.

We will definitely use your service when we plan for another trip to Bogor.

The only thing I noticed is that all the golf courses at Bogor trip are buggy on tracks which is super tiring but anyway is a great way to exercise if only I don't have any shin problem.

Anyway, thanks again!

Good day :)
Wendy
