Subject: Spain Trip (17 to 29 October 2022)

Hi

Thank you very much for helping to organize our Spain golf holiday. All 8 of us are very happy with the quality of hotels and in particular, the punctuality of the drivers. Everything worked as planned.

We have enjoyed ourselves very much. I would like to take opportunity to commend Cass who handled the planning of our trip. She has been responsive, meticulous and always serves with a smile. She deserves a 5-star applause.

Thank you once again.

Regards

Sharon
